Subject: STEWARDS DECISION NO. 12 **Document No:** 2.15

To: The Competitor HYUNDAI SHELL MOBIS WORLD RALLY TEAM of car No. 6
 Crew DANI SORDO / CARLOS DEL BARRIO

The Stewards, having received a final scrutineering report from the FIA Deputy Technical Delegate, summoned the above crew members as well as a competitor's representative, have considered the following matter and determine the following:

Facts *The weight of the rear subframe is not complying with the minimum weight as shown on the homologation form (rear subframe homologated weight is 9323g, with tolerance of +5%/-2%, minimum weight is 9136.5g). The weight of the part was 9112 g.*

Offence *Breach of Art. 10.3.3 of the 2020 FIA International Sporting Code*

Decision **A fine of €30,000** on the Competitor HYUNDAI SHELL MOBIS WORLD RALLY TEAM, which is at the same time the homologating entity, **€20,000 of this fine being applied with suspension of sentence**, subject to no further breach of a similar nature – quality control error – at any WRC event within 12 months from today.

Reason The Stewards heard the competitor's representatives Mr Andrea Adamo, Team Principal and Mr Alain Penasse, Team Manager on Sunday, 11 October 2020 at 19.40 hrs in the presence of the FIA Technical Delegate Mr. Jerome Toquet and the FIA Deputy Technical Delegate Mr Karmo Uusmaa. Mr Adamo agreed the weight of the part was under the homologated acceptance and that the scrutineering and weight procedure was carried out correctly. He then explained that this was a quality control checking error and at no point was any sporting advantage tried to be achieved. The rear subframe that was on car no.6 on Saturday was also checked and complied with the homologated weight. Mr Adamo apologised for their lapse in the checking of the weight.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
