<b>Subject:</b> STEWARDS DECISION NO. 6	<b>Document No:</b> 2.7

---

**To:** The Competitor SIMONE ROMAGNA of car No. 58  
Crew SIMONE ROMAGNA / LUCA ADDONDI

---

The Stewards, having received a report from the Clerk of the Course with documentary evidence attached, summoned the above crew members as well as a competitor’s representative, have considered the following matter and determine the following:

- Facts** Failure by the crew addressed above to activate the OK display on the FIA Safety tracking device within one minute after stopping on special stage 7 on Saturday, October 10, 2020 at 08.38 hrs.
  
- Offence** Breach of Art. 53.3.3 of the 2020 FIA WRC Sporting Regulations
  
- Decision** Having considered that Mr. SIMONE ROMAGNA is a *non-priority driver*, Driver SIMONE ROMAGNA and Co-driver LUCA ADDONDI shall be jointly and severally liable to pay a **fine of € 250**.
  
- Reason** The crew was informed accordingly by the Stewards and was given the possibility, if they wished, to bring forward any representations other than having forgotten to activate the OK display within one minute in the heat of the moment.  
The co-driver LUCA ADDONDI appeared in front of the Stewards on Saturday, 10 October 2020 at 15.40hrs.  
He was shown the detailed report with the relevant extracts from the Tracking Log of car No. 58.  
The co-driver stated that they pressed the OK button several times. Upon checking the data logs for the car there is no record of the OK acknowledgement being received. The data logs also show that at no time did the signal from car 58 stop being received by the tracking system. The stewards decide that the system was working and in constant contact with Rally HQ.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
